

At a Glance

PPC's Dog Training Platform offers a variety of options to suit the needs of most pet parents.

Although our trainers will be able to determine the best method specific of training following their evaluation, there are four main categories:

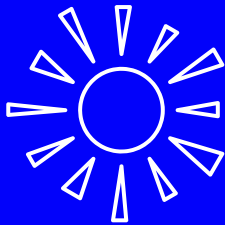

Board and Train:

- Busy schedule and no time on your hands?
- Hyper dog and not sure where to start?
- Our team will instill the fundamentals of training for you, to develop a calm and happy dog in any situation.

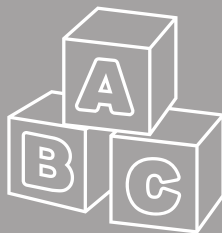

Mobile Training:

- Convenient, comfortable, and interactive!
- Incorporate standard practices within the household.
- Understand and utilize training for practical use.
- Both the evaluation and mobile training program service incur an additional fee.

Day-Train-Care:

- Offers training during normal "daycare" daytime hours, without additional nighttime boarding.
- Your pet will enjoy the benefits of daycare, while also participating in PPC's training program.

"Raising the Woof" Pet Parent Class:

- Wanting to dip your paws into training?
- Join us in a group class setting and learn the foundations from our professionals.
- Educational seminars on behaviors, nutrition and how to be the best pet parent around!
